After Dumba Case

BELIEVE HE KNEW DISPATCH CONTENTS

Could Be Held for Violating

Washington, Sept. 11. James F. J. Archibald, when he reaches New York, may find among those waiting for him on the dock a plain clothes detective, wearing the badge of the Federal police. The Department of Justice has not fully decided to arrest Mr. Archibald, but if the State Department presents no objection it is thought certain from the towing bitts aft and brought in through the bow chock, the engine stopped, and the Miami allowed to ride that this will be done.

Ambassador Dumba, Captain von Papen and others, have been under close scrutiny by the Secret Service o the Department of Justice and the case Dumba practically admits that Mr. Archibald was thoroughly cognizant of "At 7 a. m. the storm had reached hurricane force, blowing with a veloc-ity of between 90 and 100 miles an the nature of the dispatches he carried, and the elaborate efforts which Mr. Archibald made to conceal them on shipboard is held to be further proof of his guilty knowledge.

not anxious to have anything new develop in the case until the Austrian steadied and commenced to rise almost as rapidly as it had fallen. By noon the sea had subsided to such an extent that the hawser was again shifted to the towing bitts and the course to Key West resumed, where the cutter arrived safely on the 4th instant."

This is probably the first time a derelict has ever been used as a sea anchor in a hurricane. The report shows it was very effective in holding government indicates its position on the recall of Dr. Dumba. Every effort become public. will be made to save the Austrian govdetails of the case. It is expected that Austria-Hungary's answer in the Dumba case will arrive within a few days, trickster, whose pledged word and that it will dispose of the question
